EXPERIENCE

Drug Safety Associate
Biomed Informatics Medwin Hospitals, Hyderabad
Jan 2021 – Dec 2021

Intern, Drug Safety Associate
Biomed Informatics Medwin Hospitals, Hyderabad
Oct 2020 – Dec 2020

EDUCATION

Advanced P.G. Diploma in Clinical Research and Pharmacovigilance
BioMed Informatics Medwin Hospitals, Hyderabad
Jun 2020 – Sep 2020

B.E. in Biotechnology
Sathyabama University, Chennai
2015 – 2020, Secured 70%

BiPC
Sri Chaitanya Co-Ed Jr.College, Vijayawada
2012 – 2014, Secured 81%

ACADEMIC PROJECT

Mitochondrial Genome Sequencing and Analysis of Ray Fish using Illumina Nextseq500 Platform

LANGUAGES

English, Telugu, Hindi

PHARMACOVIGILANCE SKILLS

Certified in Pharmacovigilance and Oracle Argus Safety

Manage Individual Case Safety Reports (ICSRs) and initial case entries

Duplicate searches in the database before book-in and case creation / initial data entry in Argus

Code adverse events using MedDRA and WHO Drug dictionary

Determine regulatory reporting requirements based on assessment of seriousness and labeling of selected event terms

TECHNICAL SKILLS

Coding: Python Automation and Web Design
System Administration: Open Source Software; Linux
Programming Languages: HTML5, CSS3, Python, JavaScript

PERSONAL STRENGTHS

Accuracy and Precision
Excellent information input and output skills

Data Interpretation
Good interpretation skills. Accurate data information reproduction

Communication Skills
Adept at business, technical and conversational English. Can be a team member, or lead a team
